ABOUT DR. LISA

Dr. Lisa Thompson is a best-selling author, speaker and podcast host who will inspire, uplift and transform your audience with her powerful intuitive and spiritual gifts. Her high-vibration energetic presence allows her to intimately connect with her audiences and bring them deeper into the truth of who they are and where they come from. She is a lifelong experimenter of UFO/ET phenomena, as well as an Evolutionary Biologist who understands the embodiment of the ancient DNA within humans. She guides her clients in the intergalactic realm and helps connect them with their galactic family and guides. She leads night sky watch UFO tours in her home state of Hawaii. Her weekly podcast is Connection to the Cosmos with Dr. Lisa Thompson.
